**Comment** - Please vote to expand Medicaid. I am one of the individuals who will fall into the gap where I don't make enough to qualify for a federal subsidy, but make too much to get state assistance from Medicaid. I currently work a part time job which does not offer me insurance coverage. I am not asking for a handout. I am more than willing and qualified to work. However the job market is not a friendly place at the moment. Please, PLEASE vote to expand VA's Medicaid program so individuals like myself are not left without health coverage! Thank you!
