Dear Medicaid Innovation and Reform Commission,

Please read this.

I work hard for my money and I pay my taxes. Expanding Medicare and helping ensure the health of the next generation of Virginians is one of my highest priorities. I do not mind paying for healthcare insurance for those who cannot afford it. I have a job and I can work, not everyone does these days. I can help out there so I supported the ACA. I want those benefits extended to my home in the Commonwealth of Virginia. It is a great investment in the future. Do not obstruct it.

Sincerely,

Thomas Yerks
