Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

There are to many people in this Commonwealth that need health care
that can't afford it.I was one,until Medicare took over.I had emergency
open heart surgery and Medicaid took care of most of the hospital and
doctor bills.I had to spend 21/2 months in the hospital in
recovery.There is no way I could have paid the bill.

Tim Timbrook

Sincerely,

Tim Timbrook
