Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

There are many of us who have to choose between food/rent/bills or health care, so we go without the health care. I have mental health problems, but cannot get help. My mother is 50 with diabetes, possibly cancer, and has had a heart attack, but she goes without care. It make no sense, we qualify for SNAPs but not health care... If we cannot afford to feed ourselves, then how do you expect us to afford health care?

Sincerely,

Trinity McKay
