Dear Medicaid Innovation and Reform Commission,

None of us know what life has in store for us, nor can we sit in judgment of others because we "think" we know all the ins and outs of a situation. What would you want your fellow Americans, your fellow Virginians to do if you found yourself on the short end of the stick with little or no access to healthcare. Care enough about our fellow Virginians and expand Medicaid. What you do to others has a way of coming back to you, good or bad. Show you care.

Sincerely,

Vearnetta White
