To: Members of the MIRC Commission <vamirc@mirc.virginia.gov>

Dear Members of the MIRC Commission,

I think Medicaid should expand to everyone who need the program. Other countries can provide healthcare with no problem. Why is the US having problems doing this one simple thing? Expanding Medicaid would solve so many problem and I am sure that if some people need to pay a little copay to get Medicaid we can figure it out so that everyone can get coverage and not go into debt trying to stay alive and healthy.

Sincerely,

veronica bullock
