Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

The rhetoric over the cost in three years is only showing how very little people know or care to know about a program that is helping this country maintain the very minimum of security and order. Please vote to expand Medicaid. The folks who need this are counting on you. They are not the "lazy". They are the unable and they don't disappear, just because you want them to.

Sincerely,

Victoria Weiss
