Subject: Support For Medicaid Expansion

To: [vamirc@mirc.virginia.gov](mailto:vamirc@mirc.virginia.gov)

Dear MIRC Members,

My wife and I encourage you to take action to bring to Virginia 30,000 new jobs, health care insurance coverage for about 400,000 uninsured citizens, and nine to eleven billion dollars (\$9 to \$11,000,000,000) of new federal revenue in a five year period. DMAS has estimated that Virginia would receive more than \$20 billion in a ten year period. Medicaid Expansion is great for Virginia's economy and will save lives. Please do what is right for our citizens who have been disaffected and/or negatively affected by conditions over which they have no control. Please support Medicaid Expansion for Virginia.

Respectfully submitted,  
Winston Marcus Whitehurst, Sr.
