Dear Medicaid Innovation and Reform Commission,

Please expand Medicaid coverage in Virginia. I know personally people who would benefit from this expansion. They work every day but do not make enough money for health care on their own. They are both self employed and barely make ends meet. The husband has serious medical issues and needs to be seen regularly by a doctor but refuses to go as he just can't afford it. Medicaid expansion would help this family as it would so many others. it is the right thing to do!!!

Thank you!!

Sincerely,

Yvonne Royster
