Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

My family and I urge the Governor and the legislature to fully implement the Affordable Care Act. It is the moral right thing to do and fiscally an improvement over the current situation. To withhold health care from people because of ideology is unconscionable. It is time for "right-to-life" people to recognize that health care is a right, not a privilege.

Sincerely,

Al Dahler
