Comments on Medicaid Expansion.pdf

I believe that it makes eminent economic sense for the Commonwealth of Virginia to take advantage of Medicaid expansion because the Federal Government will provide 100 percent of the cost of newly eligible people between 2014 and 2016, 95 percent in 2017, 94 percent in 2018, 93 percent in 2019, and 90 percent matching for subsequent years. I urge the Commonwealth of Virginia to make use of this Federal support.
