Dear Chairman Hanger and Members of the Medicaid Reform and Innovation Commission:

I am writing in support of Medicaid Expansion. Thank you for this opportunity to comment. I am a Student Nurse Midwife who will soon graduate and begin providing health care for women and families in Virginia. I have seen first-hand the struggles faced by women who cannot afford health insurance. Expanding Medicaid coverage will benefit the State of Virginia financially and improve the health of Virginians.

Thank you for taking action to support Virginian women and families by expanding Medicaid.

Sincerely,

AlexAnn Westlake
