First Name - Amber

Last Name - Mendoza

Organization Name -

Comment - Hello, I am currently a Master's of Social Work graduate student, and I do not have health insurance. I was ecstatic when the marketplace went live, and then I discovered the truth. I may be eligible for medicaid coverage, but am currently being denied my opportunity to have the best quality of life possible. I ask the general assembly to consider all Virginians and have compassion for those like myself, who are in a transitional period and need health insurance coverage.
