To: Members of the MIRC Commission <vamirc@mirc.virginia.gov>

Dear Members of the MIRC Commission,

It is very important that cuts not be made in the Medicaid payments to providers. This will mean more doctors will no longer be able to accept the Medicaid patients because of reimbursement. Many people have Medicaid and this would mean that they would have less benefits with the possibility of them becoming sicker and needing more care than they would have had they been able to seek care sooner.

Thanks.

Angela Shelton

Sincerely,

Angela Shelton
