Virginia Medicaid Innovation and Reform Commission

Dear Medicaid Innovation and Reform Commission,

In northern Virginia and in southwestern Virginia I have met many people in desperate need of medical care who cannot afford the help they need. As a tragic secondary effect, local clinics, practices and hospitals cannot hire or have to let go of the medical staff that they have, leaving even more low income people without care and reducing local incomes. Please expand Medicaid support for low income Virginians.

Sincerely,

Bernie Hyde Jr
