Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

In my work in preventing child abuse and preserving families, access to health care is a critical need. If parents are not well physically or mentally, it is hard for them to be good parents.

Please help Virginia's less fortunate families and pass Medicaid expansion. It is the right thing to do. Virginians will be paying for Medicaid somewhere in the US. Please make it in Virginia.

Sincerely,

Betty Wade Coyle
Executive Director, Emeritus
Prevent Child Abuse Hampton Roads
