Dear Medicaid Innovation and Reform Commission,

Many of these people have no other resources and it includes children and those who need mental health services. Emergency rooms are very expensive places for people to obtain health care and you can't just put them on an iceflow (I hope you're not willing to do that). It would be RIDICULOUS to turn down the federal money.

Pleas approve Medicaid expansion as soon as possible.

Bonnie Reid

Sincerely,

bonnie reid
