Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

My brother is 70% disabled and is in severe pain. He worked for 40 years and now takes in borders to be able to stay in his house. He often can not pay his monthly bills and skips meals to pay his utility bills. Virginia denied him Medicaid based on his Social Security disability income which is barely the poverty level. He can't afford health care and his health continues to decline. What is wrong with our State legislators and our Governor?!?

Sincerely,

CJ Keys
