First Name - Camille

Last Name - Langford

Organization Name -

Comment - I am AGAINST OBAMA'S SO-Called AFFORDABLE, health plan. IF it's NOT good enough for him (and his name is on it)and his family WHY is it good enough for AMERICANS. Barack Hussein Obama was INDICTED and CONVICTED on Sept. 18, 2013 in a people's court in Ocala, FL. "CONVICTED" America's Domestic Enemy Number One: America's Usurper: Barack Hussein Obama for FRAUD perpetrated AGAINST you and me - the American people. On Nov. 19th 2013 please join FREEDOM WATCH - World Net Daily - and MILLIONS of Americans, in Washington, D.C. to demand an end to this president's "reign" before all is lost and our nation drowns in a sea of corruption and subversion of the freedoms our Founding Fathers fought and died for, which freedoms they bequeathed to us to protect and preserve for future generations. Please go to WND - Larry Klayman to get your exclusive copy of "Nov. 19 Obama's Last Day In Office." I am a house wife and I plan on being in Washington, D.C. on Nov. 19th with millions of people.
