**First Name** - Carolyn

**Last Name** - Frye

**Organization Name** - Private Citizen

**About file** - Please do not expand Medicare in Virginia. This is a failing program that is rife with fraud, waste and abuse. We need to reform this program and close up the loopholes that enable fraudsters to take advantage of the system. We also need to stand firm against any implementation of the Affordable Care Act. Its impact on the citizens of this country is already devastating. We need to eliminate ACA and take a hard look at Medicare and Medicaid and reform those two programs. Thanks!
