First Name - Charles

Last Name - Stoeter

Organization Name - Military

Comment - The Affordable Care Act also eliminates uncompensated care reimbursement to hospitals. Without Medicaid expansion, hospitals will be left to completely cover those costs for the most vulnerable patients.- According to a Virginia Hospital and Healthcare Association study, Medicaid expansion in Virginia would provide an economic boost of some \$3.9 billion annually and create an estimated 30,000 new jobs in the Commonwealth.- Without Medicaid expansion, Virginia residents' federal tax dollars will leave Virginia and benefit states expanding Medicaid.
