Expanding Medicaid

1 message

Tue, Oct 8, 2013 at 5:14 PM

To: [REDACTED]

Virginia can't even afford the current level of Medicaid. It would be irresponsible to believe that the Federal Government would or could be helpful in the long run.

By expanding the program, Virginia will commit to higher and higher recurrent costs even as the Federal Government falls further into debt and becomes unable to help.

This entire program is engineered to fail and I hope that Virginia doesn't go down with it!
