**First Name** - Constance

**Last Name** - Birch

**Organization Name** -

**Comment** - Not accepting the Medicaid Expansion money from Washington is not being good stewards of Virginia's tax dollars; the tax money that we paid to the Federal Government would go to other states. Not expanding Medicare is ignoring our responsibility to care for those who are the poorest and most vulnerable. I submit that all those who oppose the Medicaid expansion have medical care insurance benefits from an employer and are not affected personally.
