Dear Members of the MIRC Commission,

While I concur with the idea of Medicaid expansion, I adamantly believe that recipients should meet several guideline criteria. Just as with any commercial insurance, smokers should have a lower level of support from Medicaid.

Recipients that can afford multiple, even elaborate tattoos should be considered for lower level of support. Drug screenings should be routine.

I work in healthcare and it makes me sick at how many patients I care for that abuse this wonderful program.

Sincerely,

Debra Mills
