Comment - As a person of faith I am called to fellow the path of my faith and speak out for those in need,as I have been taught in these words "Speak out for those who cannot speak, for the rights of all the destitute. Speak out, judge righteously, defend the rights of the poor and needy."~ Proverbs 31:8-9 It is vitally and morally important that we expand the eligibility Medicaid in order to provide quality and affordable health care for ALL Virginians. Iff we don't act now many of our low-income neighbors are only a health crisis away from financial ruin. How can we call this justice. Expanding would not only benefit the low-income neightbors of Virginia it would also bring an estimated 30,000 new jobs to our Commonwealth and this would be a big bosst in this time of our current economy.
