Comment - I was dropped from Medicaid in April, 2012 (My son turned 18) while I was in the middle of chemotherapy for breast cancer. Since then I broke and dislocated my foot, and have been trying to get disability since Aug.2012. I just had my seventh surgery on my foot last week and expect 1 to 2 more this winter. I need Medicaid to be expanded desperately. I haven't been able to work since Aug 2012. I need help.
