Dear Chairman Hager and Members of the Medicaid Reform and Innovation Commission:

I am pleased to have this opportunity to write to you to strongly urge your accepting the Medicaid expansion for Virginia. As a retired Mental Health Therapist, I am very much aware of heavy toll it takes on a person's mental well being when they do not have adequate health insurance coverage for themselves and their family.

The several billion dollars that Virginia will realize with this expansion will go a long way to help the many hard working Virginians who can not afford adequate health coverage.

I urge you to vote favorably for this expansion.

Respectfully Yours,

( Mrs.) Diane Millen, LCSW
