Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I am currently uninsured. I work full time, but I can't even begin to afford conventional health insurance. I pay all medical expenses for myself, my husband and my two sons out of pocket. I can manage those expenses because we are all healthy...luckily. Our expenses come out to less than what insurance currently costs. I live with constant fear of a broken bone or worse that would send one of us to the hospital. We will need assistance in one form or another to afford health insurance.

Sincerely,

Donna Bonsignore
