First Name - Doug

Last Name - Davis

Organization Name -

Comment - Medicaid expansion is a must for Virginia. Do not listen to the emotions and scare tactics of the far right. Let logic prevail. Medicaid expansion, is beneficial to the Virginia economy, provides jobs, and good for not only newly eligible Medicaid people, but others who dont have to bear their costs. Medicaid expansion IS THE RIGHT THING TO DO!!!! Don't play politics with peoples lives, and the future of Virginia and our country. DO THE RIGHT THING!
