First Name - Elisabeth

Last Name - Burak

Organization Name - citizen

Comment - I urge you to work to expand Medicaid because is the right thing to do for 400,000 uninsured who need access to affordable coverage and it makes the best use of scarce healthcare dollars. Many of the uninsured are parents who can become healthier and better able to care for their children with the financial security and peace of mind that coverage can bring. Good for families, good for communities, good for the Commonwealth
