Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

It is important to approve this expansion so that many more residents of Virginia can be served. It will not impact on our taxes because it will be Federally funded for the first two years and mostly funded after that. Health care is a critical need in our society and it is enormously selfish to deny it to so many people. Please remember whom you serve--it is us and approve this expansion. Thank you.

Sincerely,

Elizabeth La Grua
