Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

This seems like a win-win-win for Virginia. Our own tax dollars flowing back through our economy to insure 400,000 more people, create 33,000 jobs, and free up some GF dollars now going to indigent care....

Please join other states governed by very conservative governors and take this common sense offer.

Thanks,

Sincerely,

Ellen Qualls
