Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

Virginia's taxpayers will suffer the loss of many millions of federal dollars, and many thousands of Virginia's poor people will have to survive on nothing but emergency care, if the Medicaid expansion is not enacted by our legislators. How stupid!! Please take care of this, even if it will need to be refined and made more efficient AFTER it is enacted. Missing this deadline has too many bad consequences for our people and our economy.

I strongly urge you to expand Medicaid coverage in Virginia.

Sincerely,

Evelyn Stevens
