**First Name** - Gail

**Last Name** - Blatt

**Comment** - I will begin with the fact that I do support the Affordable Care Act, as I feel this will help many eligible people obtain health insurance that currently cannot afford it. If the state of Virginia would accept the federal Medicaid payments, it would facilitate the this process, while not costing Virginians anything. Please accept this aid, this Medicaid, and help those living in my state, Virginia, to obtain health insurance. Thank you
