Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

I know that many thousands of Virginians use hospital emergency rooms for their health care, and I have to pay for that every time I use hospital services. It's not fair to the rest of us to tell hospitals that they must treat everyone whether they can pay or not and then recover the cost from others. Let's shed light on these costs by expanding Medicaid and making the costs explicit and visible.

Sincerely,

George Works
