Dear Members of the MIRC Commission,

As a pharmacist serving the community at 2 small SWVa hospitals (Norton Community and Dickenson Community) I see daily what will happen if we do not receive funding from Medicaid. If we do not sign up for this funding we will lose jobs, shrink services, and provide poorer care with overworked healthcare workers that will be underpaid. Please consider the impact that your inaction will have on the less affluent areas of the state.

Sincerely,

Gregory Helbert Glynn
