**First Name** - Heather

**Last Name** - Owen

**Organization Name** - PATHS DENTAL CENTER

**Comment** - We need Medicaid for the children and also on Adults. Some families cannot afford Insurance for there families therefore thats when medicaid comes in. our office see's alot of medicaid children and it makes us feel great when parents bring there children in to get dental work done and take care of there teeth.Please keep medicaid going FAMILIES NEED IT .....
