**First Name** - James

**Last Name** - Tucker

**Organization Name** -

**Comment** - The middle class is all but gone, the ACA will finish the job. Gone will be the freedoms of the past and most, except the very wealthy will live in quasi-serfdom. The abomination of the ACA is neither wanted or needed and defies the wishes of our watered down school graduates. KEEP MY HEALTHCARE OUT OF GOVERNMENT, THEY RUIN OR RAISE THE COST OF ALL THEY TOUCH.
