Comment - We must reforming Medicaid before considering expansion. I believe this was the Governor's intent & I agree with it. We cannot afford to expand a system that reportedly may have more than \$700B of healthcare waste throughout the country. I encourage the Medicaid Innovation and Reform Commission (MIRC) to follow Governor McDonnell's intent about reforming Medicaid. Don't let the big push for ObamaCare rush you into hasty decisions. Enact prudent reforms and see results FIRST.
