Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

If Virginia doesn't expand Medicaid, those of us who pay for insurance and pay our medical bills will have to pick up the tab for the poor.

We do it all the time. Example: those who are insured must pay for ambulance service -- which leads to higher premiums -- which means those without insurance or Medicaid get a free ride. Take the money and cover those who need health care. Stop being jerks!

Sincerely,

Jean Westler
