Comment - • As a person of faith, I believe that caring for our neighbors means ensuring that all Virginians have access to quality and affordable health care. Expanding eligibility for Medicaid is not only a sound policy decision, but a moral imperative. • Medicaid Expansion would cover 400,000 currently uninsured, low-income Virginians who are one health crisis away from financial ruin. • It is estimated that the expansion would bring 30,000 new health care jobs to Virginia. The economy is still recovering from the recession and 30,000 new jobs would be a huge boost the Commonwealth.
