Virginia Medicaid Innovation and Reform Commission  
VA

Dear Medicaid Innovation and Reform Commission,

For so many reasons, I strongly urge you to support expanding Medicaid in Virginia. This will have a positive impact on the lives of up to 400,000 Virginians who will get health insurance, assist our doctors and hospital emergency rooms who have been "treating" those without health insurance, and will ensure that federal funds that Virginians are entitled to will go to Virginians.

Sincerely,

Jim Schuyler
