Dear Members of the MIRC Commission,

Please approve the expansion of the Medicaid program for Virginians; this is well needed for those in Virginia that do not have health coverage. Let's show this great nation that Virginians take care of there own. Our uninsured patients could use this benefit even though money is tight, we need to do something to protect our patients health by giving medicine and doctors care when needed. Thanks for doing what is right for Virginians.

Sincerely,

John Campbell
