**First Name** - John**Last Name** - Herrmann**Organization Name** -

**Comment** - I think Virginia owes it to its citizens to expand Medicaid to take full advantage of the Affordable Care Act. Why not leverage state funds to get the federal funds available to provide care to Virginia's under-served populations? It will be a terrible shame if Virginians end up sending tax dollars to support the Medicaid expansions in other states while neglecting our neighbors right here in Virginia. Thank you for your consideration.
