Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

I urge you to expand Medicaid in Virginia to help implement the Affordable Care Act which is law and being currently implemented. Just like your colleagues in Kentucky and 23 other states who chose this path, this will help countless other Virginians to offset the costs of health insurance to make it affordable for everyone.

It will not cost Virginia any money to do so. So what are you waiting for?

Sincerely,

Joseph Singleton
