First Name - judy marie

Last Name - johnson

Organization Name -

Comment - please accept the federal monies for medicaid in virginia, our taxes have paid for this expansion of health care which every virginian regardless of financial situation, gender, age or military status as well as because of the above and their eligibility for health care and support under medicaid guidelines deserve, be generous and do not let political or religious perspectives withhold health care for those who need but cannot afford the same..let's be a country which cares for all its peoples.
