Re: Medicare expansion  
Tuesday, October 08, 2013

Dear Board Members,

It seems imprudent to refuse the Federal funds for this expansion. If we don't accept the money, other states will benefit from tax dollars paid by Virginians and Virginians won't. That does not make sense and seems to be an act of "*cutting off your nose to spite your face*". We could at least extend the benefits for the period that is being fully funded by the Federal government.

I think the extreme measures being undertaken are bordering on obsession, it's time to work together to fix our problems. This is one area where Virginians will be hurt, fix it please.

PLEASE EXPAND THE MEDICARE COVERAGE.

Thank you.
