Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

As a Virginian and a retired military officer, I'm sometimes ashamed of the lack of quality health care to our most needed citizens. In emerging countries abroad, they understand the connection with having healthy citizens and the prosperity of their nations. I'm 100% behind expanding Medicaid expansion to 400K+ Virginians.

Thank you,

Ken Smalls
Lorton, VA

Sincerely,

Ken Smalls
