Dear Members of the MIRC Commission,

Please support the legislation that will expand Medicaid in Virginia. I work at Culpeper Regional Hospital and this expansion will allow us to continue to serve patients that otherwise will not seek health care due to no insurance. I can tell you of diabetics who go without medication that they desperately need because they do not qualify. Perhaps this will help save them from ending up in the hospital in a coma as we have seen happen from skipping their medication.

Sincerely,

Laura Mawyer
