Virginia Medicaid Innovation and Reform Commission
VA

Dear Medicaid Innovation and Reform Commission,

All citizens of Virginia deserve to have decent health care - it is morally the right thing to do and also makes sense from a financial and economic viewpoint. Medicaid expansion would help some of the most in need and would help make Virginia a healthier state overall. The families, especially the children, of Virginia deserve this.

Thank you for your consideration of expanding Medicaid in Virginia.

Sincerely,

M Lucinda Mason
